

The award winning AsukaBook is available in a variety of sizes and styles to suit any photographic presentation. Ask your photographer to help you choose and design a book that you'll be excited to share with everyone, anytime. In fact, they're so wonderfully compact, that you may find yourself taking them just about everywhere...Isn't that what great photos are for?

AsukaBook products are perfect for: family portrait albums, baby's first book, maternity art books, pets, birthdays, day-in-the-life photo essays, and of course weddings! How about a mini book to keep your most precious memories in your purse or glove box?

The AsukaBook is available only through your professional photographer to ensure the highest quality presentation. Ask for it today and let your collection begin.

## Book Bound Hard & Soft Cover

Our classic line of books have a high-end feel that is reminiscent of fine art coffee table books. The cover can be printed full bleed, front to back, and has a protective coating.

### Features

Designable hard or soft cover

Laminate Matte, Laminate Glossy & Varnish page finishes

Frosted Case for added protection

This style features a frosted case for added protection and easy portability. Available with a hard or soft cover and bound using the classic "Perfect Bound" method.

## Book Bound LX & FLX

Our premium line of books are available in a Genuine Leather (LX) and Animal Friendly Leather (FLX) cover and bound using the classic "Perfect Bound" method. The Book Bound LX offers a timeless look and beautiful simplicity. The Book Bound FLX has the feel of fine leather and will be very consistent from book to book.

### Features

Designable presentation case with a CD/DVD holder

Laminate Matte, Laminate Glossy & Varnish page finishes

Eight rich cover colors with personalized hot stamping

\* Because natural hides are used in the LX line, some slight variations in the textures and color may occur, adding to the uniqueness and authenticity of the product.  
\* Saddle available in LX only, Camel available in FLX only.

## Book Bound EX & EXD

Our superior line of books feature a printed hard cover and a matching printed book jacket with designable inside flaps. The EX line has an exclusive red or black case with personalized silver hot stamping. The EXD line includes an EX book presented in a custom designed book case.

### Features

Designable cover, dust jacket & inside flaps

Laminate Matte, Laminate Glossy & Varnish page finishes

EX: Red/Black Case with personalized silver hot stamping

EXD: Designable book case

This line is bound using the classic "Perfect Bound" method.
